

Im Sommer hat unsere Frau Abteilungsleiterin Mag. Hermine SPERL mit dem norwegischen Prof. Joar Asen die Schule besucht. Es hat ihm sehr gefallen.

I would like to take this opportunity to thank you so much for letting me see your beautiful school in August, together with Ministerialrätin Hermi Sperl. We were kindly guided around by your secretary, and we got to see appealing rooms as well as beautiful surroundings. You and your colleagues have a lot to be proud of.

You also hosted a pleasant dinner in the evening. I have been lucky to enjoy several excellent meals in Austria, and this was certainly one of the best. And with elaborate wine to go along with good company, I could certainly not have been better taken care of.

I hope the 'Holzschnitt' of Comenius, the Tschechoslovakian educator whose name has been given as a symbol of concerted efforts to develop the qualities of the European school system, can find a fitting place on one of your walls.

With the very best wishes for you and your staff,
